What to have ready

This is the list we would ask for first, each item tied to what CAAHEP publishes.

- The current Standards and Guidelines for your profession, with its status on CAAHEP's listing (CAAHEP, Standards and Guidelines [https://www.caahep.org/program-directors/standards-and-guidelines]).
- For kinesiotherapy, the revised standards effective July 1, 2026, not the version effective through June 30, 2026 (CAAHEP, Standards and Guidelines [https://www.caahep.org/program-directors/standards-and-guidelines]).
- The name of your CoA from CAAHEP's committee list (CAAHEP, Committees on Accreditation [https://www.caahep.org/about/committees-on-accreditation]).
- Evidence for each standard, because the self-study report is where the program shows how it meets them (CAAHEP, Accreditation Process [https://www.caahep.org/program-directors/accreditation-process]).
- A date for the RAS form, due within 30 days of submitting the self-study report to the CoA (CAAHEP, Accreditation Process [https://www.caahep.org/program-directors/accreditation-process]).
- A timeline that allows 12 to 24 months from self-study submission to completion (CAAHEP, Program Director FAQs [https://www.caahep.org/program-directors/program-director-faqs]).
- The CAAHEP Board meeting calendar: January, March, May, July, September and November (CAAHEP, Accreditation Process [https://www.caahep.org/program-directors/accreditation-process]).
- A budget for the CAAHEP Accredited Program Fee, invoiced annually in May with an August 1 due date, plus your CoA's own fees (CAAHEP, Governing Documents [https://www.caahep.org/about/governing-documents]; CAAHEP, Program Director FAQs [https://www.caahep.org/program-directors/program-director-faqs]).
