Electrophysiology Program Accreditation Consulting (ACC EP)

Last reviewed October 2026 · https://www.integralhs.com/electrophysiology-program-accreditation

What to have ready

This is the list we would ask for first, each item tied to the text that requires it. Citations are to the ACCF Accreditation Services Program Requirements, REV 5.1 (posted 03/16/2026, document opened October 3, 2026) unless noted.

- Evidence of active participation in the NCDR EP Device Implant Registry, the NCDR LAAO Registry or the NCDR AFib Ablation Registry.
- The named contacts ACC requires for each program: a Key Contact, Executive Sponsor, Invoicing/Payment Contact, Marketing Contact and at least one Accreditation User.
- A signed Accreditation / Certification Services Agreement.
- Staff time for the sixty-day Baseline Gap Analysis, which starts the day ACCF emails the Key Contact.
- A work plan that gets the application in within twelve months of tool access.
- Your current data on the measures ACC's EP page names: 30-day readmission, device infection, bleeding and vascular complications, pericardial effusion and tamponade, and same-day discharge (ACC, EP [https://cvquality.acc.org/accreditation/services/EP], page opened October 3, 2026).
- A budget line for the annual fee and for travel costs of up to two ACCF staff at each onsite site review.
- For a renewal, a calendar date six months before your Anniversary Date.
