What to have ready

This is the list we would ask for first, each item tied to what JRCERT publishes.

- The 2021 Standards for your discipline: radiography, radiation therapy, magnetic resonance, medical dosimetry or limited technologist (JRCERT, Standards [https://www.jrcert.org/jrcert-standards/]).
- The initial application fee of $3,675, paid ahead of AMS portal access (JRCERT, Fee Schedule 2026 [https://www.jrcert.org/resources/fee-schedule-effective-01-2026.pdf], document opened October 3, 2026). Verify current fees with JRCERT.
- A staffing plan to finish the self-study report in the AMS portal within six months (JRCERT, The Accreditation Process [https://www.jrcert.org/program-director-and-faculty/the-accreditation-process/]).
- A list of the clinical settings you plan to use, filed with the Initial Application/Self-Study Report. JRCERT's 2026 fee schedule says the initial application fee already includes recognition requests for those settings (JRCERT, Fee Schedule 2026 [https://www.jrcert.org/resources/fee-schedule-effective-01-2026.pdf], document opened October 3, 2026).
- No student placed at a clinical setting before JRCERT approves it (JRCERT, Fee Schedule 2026 [https://www.jrcert.org/resources/fee-schedule-effective-01-2026.pdf], document opened October 3, 2026).
- Two days cleared for the site visit, with the people the team will interview and the facilities it will tour available throughout (JRCERT, The Accreditation Process [https://www.jrcert.org/program-director-and-faculty/the-accreditation-process/], page opened October 3, 2026).
- Lodging and local transportation for site visitors, which the program pays in addition to the $1,200 per-visitor fee (JRCERT, Fee Schedule 2026 [https://www.jrcert.org/resources/fee-schedule-effective-01-2026.pdf]). Verify current fees with JRCERT.
- A team ready to answer the Report of Findings within six weeks of receiving it. JRCERT's process page has the Report of Findings reaching the program within three months of the visit (JRCERT, The Accreditation Process [https://www.jrcert.org/program-director-and-faculty/the-accreditation-process/], page opened October 3, 2026).
- A budget line for the annual fee (JRCERT, Fee Schedule 2026 [https://www.jrcert.org/resources/fee-schedule-effective-01-2026.pdf]).
