## What to have ready

Each item ties to the CMS Comprehensive Guide (2023), 34 CFR 300.154(d) (eCFR as of September 30, 2026) or your state's own guide.

- Your state's Medicaid state plan provisions and school-based services guide, which set covered services and billing rules for your state.
- The written parental consent form used before first access to public benefits, checked against the requirement that it "Specifies that the parent understands and agrees that the public agency may access the parent's or child's public benefits or insurance to pay for services under part 300" (300.154(d)(2)(iv) [https://www.ecfr.gov/current/title-34/subtitle-B/chapter-III/part-300/subpart-B/section-300.154]).
- The parent notification that precedes that consent, since the rule applies "after providing notification to the child's parents" (34 CFR 300.154 [https://www.ecfr.gov/current/title-34/subtitle-B/chapter-III/part-300/subpart-B/section-300.154]).
- Your enrollment practice, confirmed against the rule that the agency "May not require parents to sign up for or enroll in public benefits or insurance programs in order for their child to receive FAPE under Part B of the Act" (300.154(d)(2)(i)).
- Your FERPA and IDEA consent for disclosing student PII to the Medicaid or CHIP agency for billing (Guide, IV.C).
- Your confidentiality standards, measured against the guide's requirement of standards "comparable to those of the State Medicaid/CHIP agency" (IV.C).
- A list of the services you deliver, including services outside IEPs and 504 plans such as mental health, SUD and nursing services (Guide, III.C).
- Credentials for each staff member who delivers services; "Provider Qualifications" is one of the topics in CMS's FAQ index (CMS FAQs [https://www.medicaid.gov/resources-for-states/medicaid-state-technical-assistance/medicaid-and-school-based-services/medicaid-school-based-services-frequently-asked-questions-faqs]).
- Current service documentation forms; "Services and Documentation" is another FAQ topic.
- How you identify other coverage, under the FAQ topic "Third-Party Liability (TPL)."
- Whether you participate in administrative claiming and the "Random Moment Time Study (RMTS)," also listed in the FAQ index.
